Hi team.

Attached is the latest osc iii plan outline updated through yesterday's meeting with doug. I also added a few links for your reference on DVI, GVI and "Swift Certain and Fair" (bill, please review especially the swift certain and fair link to be sure it's appropriate for the administrative sanctions.), oh and also added one on the JAC.

Also, I attached the neighborhood safety council concept paper which is updated since our meeting with Doug yesterday to include the 311 piece.

After our JAC and Re-entry meetings on Tuesday, I'll update again and provide concept summaries for each. We need to do a core team debrief/meeting next week. Amy and Bill – when are you available for 90 minutes Wednesday or thursday?

Have a great weekend!

Blair
